## 1. Special business

### 1.1 Special resolution number 1: Remuneration of Non-executive Directors

“Resolved, in terms of section 66(9) of the Companies Act, that the current remuneration payable to the Non-executive Directors will remain unchanged and that the Company be and is hereby authorised to remunerate its Non-executive Directors for their services as Directors, which includes serving on various sub-committee and to make payment of the amounts set out below, provided that this authority be valid until the next AGM of the Company to be held in 2023.”

#### Reason for special resolution number 1

- Section 66(9) of the Companies Act, 2008, as amended (Companies Act) stipulates that payment of remuneration for Directors, described as remuneration for “services as Directors”, may be paid only in accordance with a special resolution wherein shareholders authorise “the basis for compensation” to Directors as required in terms of section 65(11)(h) of the Companies Act.
- In addition, King IV recommends that (i) the Non-executive Directors’ remuneration be pre-approved by shareholders for the ensuing year and that such remuneration should comprise both a base fee and an attendance fee and, (ii) the Board should be mandated to determine the remuneration of the Executive Directors in accordance with the guiding principles of the Company’s remuneration policy.
- Accordingly, the reason for the special resolution is to pre-approve the remuneration of the Non-executive Directors of the Company for the ensuing year, and to mandate the Board to set and pay the Executive Directors’ remuneration on a pay-for-performance basis in accordance with the guidelines as set out in the Company’s remuneration policy.

The Remuneration Committee, having compared and benchmarked the Directors’ remuneration with peers in the market and having found it fair, recommends that shareholders consider and approve the Directors’ remuneration for the ensuing year by adopting, with or without modification, special resolution number 1 as set out above.

### Effect of special resolution number 1

The effect of special resolution number 1 is that the Non-executive Directors’ remuneration will be fixed for the ensuing year and that the Board, through the Remuneration Committee, will be authorised to set and pay fair and responsible remuneration to the Executive Directors for services rendered to the Company as Directors, without requiring further shareholder approval until the next AGM of the Company.

### 1.2 Special resolution number 2: Share repurchases by the Company and its subsidiaries

“Resolved, as a special resolution, that the Company and the subsidiaries of the Company be and are hereby authorised, as a general approval, to repurchase any of the shares issued by the Company, upon such terms and conditions and in such amounts as the Directors may from time to time determine, but subject to the provisions of sections 46 and 48 of the Companies Act, the Memorandum of Incorporation (MOI) of the Company and the Listings Requirements, including, *inter alia*, that:

- the general repurchase of the shares may only be implemented through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the Company and the counterparty;
- this general authority shall only be valid until the next AGM of the Company, provided that it shall not extend beyond 15 months from the date of this resolution;
- an announcement must be published as soon as the Company has acquired shares constituting, on a cumulative basis, 3% of the number of shares in issue on the date that this authority is granted, containing full details thereof, as well as for each 3% in aggregate of the initial number of shares acquired thereafter;
- the general authority to repurchase is limited to a maximum of 20% in the aggregate in any one financial year of the Company’s issued share capital at the time the authority is granted;
- a resolution has been passed by the Board of Directors approving the repurchase, that the Company has satisfied the solvency and liquidity test as defined in the Companies Act and that, since the solvency and liquidity test was applied, there have been no material changes to the financial position of the Company and its subsidiaries;
- the general repurchase is authorised by the Company’s Memorandum of Incorporation;
- repurchases must not be made at a price more than 10% above the weighted average of the market value of the shares for the five business days immediately preceding the date that the transaction is effected. The JSE will be consulted for a ruling if the Company’s securities have not traded in such five-business day period;
- the Company may at any point in time only appoint one agent to effect any repurchase(s) on the Company’s behalf; and
- the Company may not effect a repurchase during any prohibited period as defined in terms of the Listings Requirements unless there is a repurchase programme in place, which programme has been submitted to the JSE in writing prior to the commencement of the prohibited period and executed by an independent third party, as contemplated in terms of paragraph 5.72(h) of the Listings Requirements.”

### Reason and effect of special resolution number 2

The reason for and effect of special resolution number 2 is to grant the Directors a general authority in terms of its Memorandum of Incorporation and the Listings Requirements for the acquisition by the Company or by a subsidiary

# Amended Notice of Annual General Meeting continued

of the Company of shares issued by the Company on the basis reflected in special resolution number 2. The Company has no immediate plans to use this authority and is simply obtaining same in the interests of prudence and good corporate governance should the unforeseen need arise to use the authority. In terms of section 48(2)(b)(i) of the Companies Act, subsidiaries may not hold more than 10%, in aggregate, of the number of the issued shares of a company. For the avoidance of doubt, a pro rata repurchase by the Company from all its shareholders will not require shareholder approval, save to the extent as may be required by the Companies Act.

- The independence of the undermentioned Non-executive Directors has been assessed and in each instance, the Director's independence was found to be undiminished, uncompromised, and untainted.
- The Board is satisfied that the undermentioned Directors collectively possess the appropriate qualifications, skills, and experience to fulfil their Audit and Risk Committee obligations as set out in Regulation 42 of the Companies Regulations 2011.

## 2.6 General authority to issue shares for cash

### Contextual Information

- The reason for the ordinary resolution proposed, is that, in terms of the JSE Listings Requirements and the Company's MOI, the prior approval of shareholders must be sought to issue any shares for cash.
- The proposed general authority will enable the Directors to issue shares for cash, subject to the provisions of the JSE Listings Requirements, the Companies Act and the Company's MOI.
- The general authority shall be valid until the date of the next AGM of the Company or 15 months from the date of this resolution, whichever period is shorter.
- The authority granted should be read together with the authority granted in terms of ordinary resolution 11.

Furthermore, in order for the ordinary resolution to be adopted, at least 75% of the voting rights exercised must be exercised in favour thereof.

Accordingly, the Board proposes that shareholders adopt the following ordinary resolution:

### 2.6.1 Ordinary resolution number 11: General authority to issue shares for cash

"Resolved that, subject to the adoption of ordinary resolution number 11, the Directors of the Company be, and are hereby authorised by way of a general authority, to allot and issue 244 174 058 unissued shares for cash as they in their discretion may deem fit, subject to the provisions of the JSE Listings Requirements, the Companies Act and the Company's MOI and subject to the provision that the aggregate number of authorised but unissued ordinary shares to be allotted and issued in terms of this resolution, shall be limited to 15% of the issued share capital (excluding treasury shares) of the Company as provided for and considering:

- The approval shall be valid until the date of the next AGM of the Company or 15 months from the date of this resolution, whichever period is shorter;
- A SENS announcement giving full details, including the number of securities issued, the average discount to the 30-day VWAP and in respect of options impacts on net asset value per share, net tangible asset value per share, earnings per share, headline earnings per share and, if applicable, diluted earnings and headline earnings per share, will be published after any issue representing, on a cumulative basis within any one financial year, 5% or more of the number of shares in issue prior to such issue;

- The general issue of shares for cash, in the aggregate, in any one financial year may not exceed 15% of the Company's issued share capital (excluding treasury shares) of that class. For purposes of determining the aforementioned 15%, the securities of a particular class will be aggregated with the securities that are compulsorily convertible into securities of that class and, in the case of the issue of compulsorily convertible securities, aggregated with the securities of that class into which they are compulsorily convertible. The number of securities of a class which may be issued shall be based on the number of securities of that class in issue at the date of such application less any securities of the class issued during the current financial year, provided that any securities of that class to be issued pursuant to a rights issue (announced and irrevocable and underwritten) or acquisition (concluded up to the date of application) may be included as though they were securities in issue at the date of application;
- In determining the price at which an issue of shares will be made in terms of this general authority, the maximum discount permitted is 10% of the weighted average traded price of such shares, as determined over the 30 trading days prior to the date that the price of the issue is agreed between the Company and the party subscribing for the securities. The JSE should be consulted for a ruling if the securities have not traded in such 30-business day period;
- Any such issue will only be made to public shareholders as defined in paragraphs 4.25 to 4.27 of the JSE Listings Requirements and not to related parties; and
- Any such issue will only be securities of a class already in issue or, if this is not the case, will be limited to such securities or rights that are convertible into a class already in issue."

## 2.7 Authorise Directors and/or the Company Secretary

### 2.7.1 Ordinary resolution number 12: Authority to action

"Resolved that any one Director of the Company and or the Company Secretary be and is hereby authorised to do all such things and sign all such documents as deemed necessary to implement the ordinary and special resolutions as set out in this notice convening the AGM of the Company at which these resolutions will be considered."

The reason and effect for ordinary resolution number 11 is to ensure that the resolutions voted upon favourably are duly implemented through the delegation of powers provided for in terms of the Company's MOI.

## 2.8 Non-binding advisory votes

### Contextual information

- King IV recommends and the JSE Listings Requirements require a listed company to table its remuneration policy and implementation report for separate non-binding advisory votes by shareholders at the AGM. This vote enables shareholders to express their views on the remuneration policies adopted, and on their implementation.
- These resolutions are of an advisory nature only and failure to pass either one or both of them will therefore not have any legal consequences relating to existing remuneration agreements. Even though these resolutions are non-binding, if the remuneration policy or the implementation report, or both, are voted against by 25% or more of the voting rights exercised, the Board will, as recommended by King IV and required by the JSE, take the outcome of the vote into consideration when considering amendments to the remuneration policy and implementation report. The Company's remuneration policy and implementation report are included on pages 84 to 87 of the IAR.

### 2.8.1 Non-binding advisory vote number 1: Endorsement of the remuneration policy

Accordingly, the Board proposes that shareholders adopt the following non-binding advisory vote to indicate that they have found the key elements and guiding principles of the Company's remuneration policy and approach appropriate:

"Resolved to hereby endorse the Company's remuneration policy, as set out in the Remuneration Report on pages 84 to 87 of the IAR, by way of a non-binding advisory vote."

### 2.8.2 Non-binding advisory vote number 2: Endorsement of the remuneration implementation report

"Resolved to endorse, by way of a non-binding advisory vote, the Company's remuneration implementation report (excluding the remuneration of the Non-executive Directors for their services as Directors and members of Board committees) set out in pages 84 to 87 of the IAR."

  - A shareholder may, at any time and in accordance with the provisions of Section 58 of the Companies Act, appoint any individual (including an individual who is not a shareholder) as a proxy to participate in, and speak and vote at, a shareholders' meeting on behalf of such shareholder.
  - A proxy may delegate his or her authority to act on behalf of a shareholder to another person, subject to any restriction set out in the instrument appointing such proxy.
  - Irrespective of the form of instrument used to appoint a proxy, the appointment of a proxy is suspended at any time and to the extent that the relevant shareholder chooses to act directly and in person in the exercise of any of such shareholder's rights as a shareholder (see note 7).
  - Any appointment by a shareholder of a proxy is revocable, unless the form of instrument used to appoint such proxy states otherwise.
  - If an appointment of a proxy is revocable, a shareholder may revoke the proxy appointment by:
    - cancelling it in writing, or making a later inconsistent appointment of a proxy; and
    - delivering a copy of the revocation instrument to the proxy and to the Company.
  - A proxy appointed by a shareholder is entitled to exercise, or abstain from exercising any voting right of such shareholder without direction, except to the extent that the Company's MOI, or the instrument appointing the proxy, provides otherwise (see note 4).
- This form of proxy should only be used by certificated shareholders or shareholders who have dematerialised their shares with own name registration.
- A shareholder may insert the name of a proxy or the names of two alternative proxies of the shareholder's choice in the space/s provided, with or without deleting "the Chairman of the AGM", but any such deletion must be initialed by the shareholder. The person whose name stands first on the form of proxy and who is present at the meeting will be entitled to act as proxy to those whose names follow.
- A shareholder's instructions to the proxy must be indicated by the insertion of the relevant number of votes exercisable by that shareholder in the appropriate space provided. Failure to comply with the above will be deemed to authorise the proxy to vote or to abstain from voting at the AGM as he/she deemed fit in respect of all the shareholder's votes exercisable thereat. A shareholder or his/her proxy is not obliged to use all the votes exercisable by the shareholder or his/her proxy, but the total of the votes cast and in respect of which abstention is recorded may not exceed the total of the votes exercisable by the shareholder or by his/her proxy.
- Dematerialised shareholders who wish to attend the AGM or to vote by way of proxy, must contact their CSDP or broker who will furnish them with the necessary authority to attend the AGM or to be represented thereat by proxy. This must be done in terms of the agreement between the member and his/her CSDP or broker.
- Forms of proxy must be lodged at the Company's transfer secretaries, CTSE Registry Services Proprietary Limited, 5th floor, 68 Albert Road, Woodstock, Cape Town, 7925, South Africa or Postnet Suite 5, Private Bag X4, Woodstock, 7915 or by email at wesizwe@4axregistry.co.za, so as to be received by not later than 09:00 on Friday, 27 May 2022.
- The completion and lodging of this form of proxy shall not preclude the relevant shareholder from attending the AGM and speaking and voting online during the meeting to the exclusion of any proxy appointed in terms hereof.
- Documentary evidence establishing the authority of the person signing this form of proxy in a representative or other legal capacity must be attached to this form of proxy unless previously recorded by the transfer secretaries of the Company or waived by the Chairman of the AGM.
- Any alteration or correction made to this form of proxy must be initialed by the signatory/ies.
- The Chairman shall be entitled to reject the authority of a person signing the form of proxy:
  - under a Power of Attorney, or
  - on behalf of a companyunless that person's Power of Attorney or authority is deposited at the registered office of the transfer secretaries of the Company not less than 48 hours before the AGM.
- Where shares are held jointly, all joint holders are required to sign the form of proxy.
- A minor must be assisted by his/her parent or guardian unless the relevant documents establishing his/her legal capacity are produced or have been registered by the transfer secretaries.
- Every shareholder present in person or represented by proxy shall have one vote for every share held by such shareholder.
- A vote given in accordance with this form of proxy shall be valid, notwithstanding the previous legal incapacity of the principal or revocation of this form of proxy or the transfer of the shares in respect of which the vote is given, unless an intimation in writing of such legal incapacity or transfer shall have been lodged with the transfer secretaries (at the address given at paragraph 6 above), to reach them by no later than at 09:00 on Friday, 27 May 2022.
